COLLETTE LAUNCHES PRE-PAID TIPPING TO TAKE THE HASSLE OUT OF TRAVELLING

Tipping in foreign countries can be a very confusing part of travelling. Collette is taking the guesswork out of the situation with its pre-paid tipping packages, to come into effect in January, 2020 for tours departing from May 2020.

Although it's not the case in Australia, tipping is customary in many other countries such as the USA where etiquette suggests customers should pay anywhere from 10 to 25 per cent.

Taking the hassle out of travelling, Collette is cutting out tip-related anxiety so its customers no longer need to calculate how much, when and who to tip. The packages can be purchased in advance up to 45 days before departure and include gratuities for the tour manager, coach driver, portering, local guides and on-board gratuities for cruises.

Collette's tipping packages vary depending on tour length and inclusions. A classic style tour will cost approximately \$11 per person, per day and small group Explorations style tour will be approximately \$14 per person, per day. An additional \$3 per person will be added for each additional guide that the tour may include.
