Collette launches 2021-22 Worldwide Travel Guide with exciting new tours and full refund policy

Collette is gearing up for Australians rediscovering the joys of international travel with the release of Collette's 2021-22 Worldwide Travel Guide. The digital guide launched on September 16 and includes 145 tours – from New Zealand to Alaska, with dates through to May 2022.

Guests can book with confidence knowing Collette's Cancellation Policy assures a full money-back refund in the event any tour can not go ahead. This takes the stress and uncertainty out of planning post-pandemic holidays.

In addition, travellers may purchase a Cancellation Waiver from only \$95 per person. This allows the flexibility to change dates up to 60 days prior and cancel up to 24 hours prior to a tour, with the same full money-back guarantee.

Carefully crafted to provide unique immersive experiences, Collette boasts seven new Exploration small group tours. They all feature boutique accommodation and multi-night stays to ensure guests are able to enjoy the best experiences that a destination has to offer.

The new Exploration tours include three new Italy experiences, contributing to a total of 18 Collette tours to Italy. [Sicily and Its Isles](#) starts at \$5,199 per person (limited time offer) and Collette is the only tour company to stay on the beautiful Aeolian Islands. [Old World Sicily & Malta](#) explores how ancient traditions blend into modern society amidst these two Mediterranean Island paradises, starting at \$5,099 per person. The third, [Amalfi Coast to Puglia](#) starts at \$4,999 per person and goes off the beaten track to explore a new side to the Italy travellers know and love.
