

COLLETTE'S NEW LOOK AMERICAS 2020-21 BROCHURE OUT NOW **Now incorporating North, Central, South America and Antarctica**

10 July 2019: Collette has launched its new look 'The Americas' 2020-21 brochure with North, Central, South America and Antarctica all included for the first time, totalling 37 unique tours across these spectacular continents.

"The new brochure will make it that much easier for travel agents to help travellers plan their trips to this region. We have found that Australian travellers want to get as much out of their long-haul flights and see as much as they can across the Americas and Antarctica, and now all the information is there in one brochure to help them with their research," said James Hewlett, Head of Marketing for Collette Australia.

To launch The Americas 2020-21 brochure, Collette is offering a 10% saving* on its Top 10 Americas tours including favourites: America's Music Cities; Best of Eastern Canada; Canadian Rockies by Train; Islands of New England; America's National Parks. As well as popular new tours Washington DC, Niagara Falls & New York City; Painted Canyons of the West; Bluegrass Country and The Smoky Mountains; and Central/South American tours: Galapagos and Machu Picchu, and Tropical Costa Rica.

*Valid for bookings made by 22 August 2019 for departures between 1 January 2020 to 30 April 2021.
